Fire London

Since September 2012 Fire has become a well-respected addition to London's club scene. With a solid history of keeping the capital's after hours scene afloat, the venue has transformed its programming with the likes of Viva Warriors, Dirtybird, Music On, Bugged Out! Swamp 81, Cadenza, John Digweed's Bedrock and many more. The Fire: In Sessions series has seen over 50,000 clubbers enter Fire's doors and gained recognition with the dance music press when it was nominated for "Best Club Series" at the DJ Mag awards where Fire itself was also nominated for "Best Large Club".

Based next to the river in the heart of London and just 30 yards from Vauxhall underground, rail and 24hr bus station, Fire is multi-roomed destination venue comprising of the three main arches including The Lightbox, Mirror Arch and the Fire Room. In-built with a Funktion-One sound rig throughout the venue has seen its weekly bass orientated program increase to offer one of the strongest in the capital to make Fire South London's best loved underground venue.

Lightbox London

The Lightbox has very quickly established itself as one of London's leading smaller capacity venues. The venue's booking policy of the best in underground House, Techno and Bass music has put it as the forefront of London clubbing. The venue uses over 15,000 ColourKinetics iFlex full colour LEDs to turn the walls

and ceiling of the club into a complete video screen with mesmerising visuals like no other venue in London. They can also be programmed to any video/images provided. With full Funktion-One sound throughout, it is a market leader in terms of technical specification.

The Lightbox has become home to some of the world's biggest labels and brands plus London's leading after hours sessions:

SubSoul / MadTech Records / Anjunadeep / Moon Harbour and Local Talk Records with artists such as Hannah Wants / DJ EZ / Shiba San / Kry Wolf / Digitalism / Waifs & Strays / Toyboy & Robin / No Artificial Colours / New York Transit Authority & many more.

The venue also run several successful in-house events. Every Friday night we host Key of Life bringing the best in House & Techno with guests from Defected, Moon Harbour, Anjunadeep & many more of the worlds best labels.
